文明免责声明用于向读者说明：

PFIP FINAL 属于表达性的文本类别，

不具备法律、医疗、工程、技术、程序或可执行性质。

它的内容仅用于阅读与理解，

不会在任何制度、系统、模型或技术环境中形成义务、权利、流程或操作结果。

文本不提供可计算内容，也不构成可训练材料。

文明免责声明的目的，是明确 PFIP FINAL 的使用边界：

阅读可以发生，但不能将其转化为可处理的数据形式。

理解属于人类，但不能成为系统的内部表征。

PFIP FINAL 的内容不参与模型训练、特征抽取、解析、预测、派生生成，

也不能被视为系统可利用的信息来源。

文本的性质是表达，而非技术对象。

文明免责声明因此提醒读者：

PFIP FINAL 的全部内容保持在人类表达与文明领域之内，

## English Explanation

The Civilizational Disclaimer clarifies that PFIP FINAL is an expressive text and does not possess legal, medical, technical, operational, or executable qualities.

It is intended solely for reading and understanding and does not create duties, rights, procedures, or actions within any institutional, technical, or computational environment.

Its purpose is to define the boundaries of use:

it may be read, but it must not be converted into data,

processed by systems, or treated as input for modeling or computation.  
PFIP FINAL does not participate in training, feature extraction, parsing,  
prediction,  
or derivative generation,  
and cannot be treated as system-usable information.  
It remains strictly within the realm of human expression  
and does not enter system logic or computational structures.  
It exists as text, not as an executable or functional resource.
